The most perfect BAKING POWDER of the age. Warranted vastly superior to any Canadian Powder, is unrivalled by best brands of American, and costs 30 per cent. less.

No BAKING POWDER in the WORLD makes such LIGHT, FLAKEY, SWEET and WHOLESOME Bread, Pastry, Cakes, etc. Most CHEAP POWDERS contain alum, dangerous to health, flour, farina, starch, etc., substances worthless for Baking Powder. AVOID THEM!

The Princess Baking Powder has been analysed by the following eminent chemists, and pronounced *Absolutely Pure*:

G. P. GIRWOOD, M. D., Professor of Chemistry,  
MCGILL COLLEGE, Montreal.

H. H. CROFT, Professor of Chemistry,  
TORONTO UNIVERSITY, Toronto.

# ◀THE NOVELTY▶ CLOTHES WRINGER

TRIPLE SPRINGS!      BEST MATERIAL!  
DOUBLE GEARING!      FINISH UNEQUALLED!

It has been proved, and IM-proved and AP-proved for more than 17 years.

Among its many advantages are THE SINGLE LONG PRESSURE SCREW, which adjusts the rolls in *one-half the time* required when two are used. THE PATENT GRASSHOPPER SPRING which gives *great capacity* when large articles are wrung, and for ordinary work makes the "NOVELTY" as *truly self-adjusting* as any of the so-called self-adjusting wringers. THE IMPROVED CURVED CLAMP which is *wide enough* for and will *fit equally well* round or square tubs and washing machines. AN IMPROVED WATER BOARD which prevents the water from slopping over and a PERFECT APRON BOARD for guiding the clothes from the wringer into the clothes basket. It has the Best White Rubber Rollers and is warranted.
